“The Book is fantastic. I could not put it down”

JOHN VRANAS, Past President, Chicago Association of Realtors©

“Greek Ethos the Book shows us the love of our everlasting Greek heritage in all of its diversity. . . a must read for both Greeks and non-Greeks” CHRIS KAKAS, Professor of Art, University of Alabama.

“I started by picking and choosing articles, but have now gone to the beginning and intent to read cover to cover. What I read so far in the Book is exceptional; it is saturated with facts and constructed in such an interesting way that holds attention and makes reading a pleasure; the vocabulary is astounding” ROBERT TROCCHIA, Past Artistic Director Lancaster Chorale
